

B.E.L.T.S.

Sp. z o.o.

Transport and logistics company

An expert in logistics in Europe and
Central Asia

Who we are?

BELTS entered the market in 2016 as part of a group of independent international logistics companies (operating since 1996).

Our company is located in Poland. We have our own warehouses near Warsaw and partner warehouses in Italy, Germany and Turkey.

Today, BELTS is a solid company employing over 45 competent specialists of various fields.

Our main specialization is international road forwarding to/from Europe, truck and rail forwarding from China.
